25th Anniversary

of

Kennard-Dale Senior High School
Fawn Grove, PA 17321
Volume XXV

TWENTY-FIVE YEARS

Mr. Sterling Ecker has been a member of the teaching staff at Kennard-Dale for 25 years. His most memorable event is being chosen into the National Honor Society Hall of Fame.

Mr. Robert E. Brown has been serving the students of Kennard-Dale for 25 years. His most memorable event was the dedication of Kennard-Dale High School in November, 1952 because it was the dawning of a new era in education in York County.

Mr. Eldon S. Webb was the first principal of Kennard-Dale High School. He served in this position for three and one-half years. After this, he served as supervising principal for eleven and one-half years.

Before the formation of the Southeastern School District, there were eight separate districts—Fawn Grove Borough, Stewartstown Borough, Delta Borough, Cross Roads Borough, Fawn Township, East Hopewell Township, Hopewell Township, and Peach Bottom Township. Many one-room schoolhouses were scattered throughout these areas. In the 1940's, there were high schools located in Stewartstown, Delta, and Gatchelville.

A meeting of interested school directors on February 20, 1946 produced the first ideas of a joint school district and consolidated high school. The interest spread to include eight school districts, and on July 16, 1948, definite plans for joining those districts were approved. Later, building plans were accepted and ground-breaking ceremonies were held on December 9, 1950.

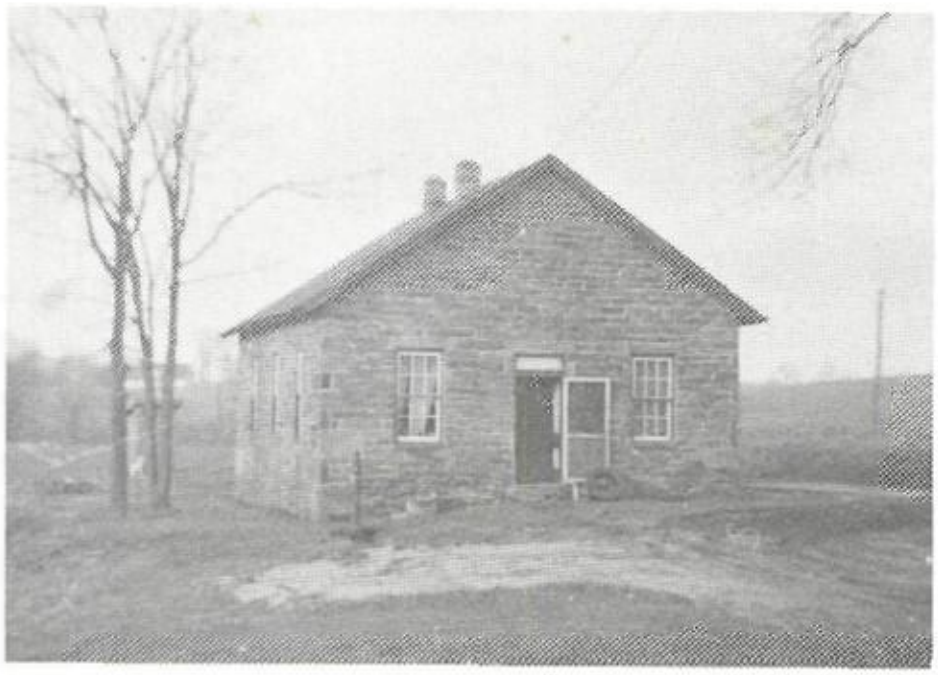
The Southeastern School District first operated during the 1951-52 school year. During this year, the Delta and Fawn Township Vocational high schools combined at the Delta High School. This school and Stewartstown High School acted as one in competitive athletics and other activities.

The $1,000,000 consolidated high school was occupied during the 1952-53 school year. The next step was to give the school a name. "Kennard-Dale" was chosen through a contest in which the students submitted many different titles. Kennard and Dale were the surnames of the men who previously owned the land upon which the school was built.

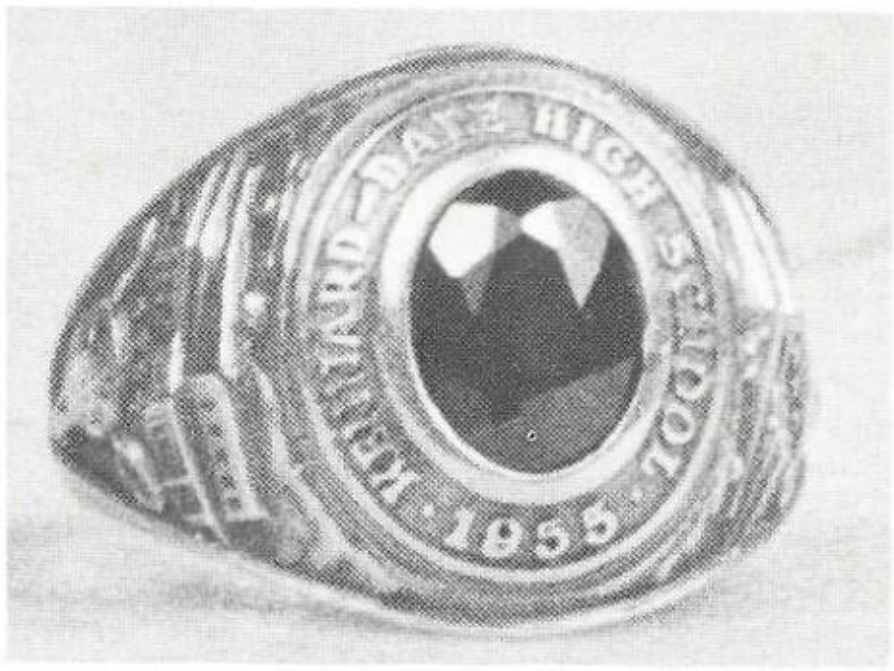
The music room and auditorium were added to K-D in 1954. The football field was constructed in that year, also. The shop area was completed in 1964. In 1975 Kennard-Dale High School became a senior high school after the completion of the Southeastern Middle School which houses grades five through eight.

Four distinguished persons have given twenty-five years of service to K-D and the Southeastern School District. These persons are Mrs. Marie Pomraning, office manager; Mr. Robert Brown, teacher; Mr. Sterling Ecker, teacher; and Mrs. Hazel Plummer, head cook.

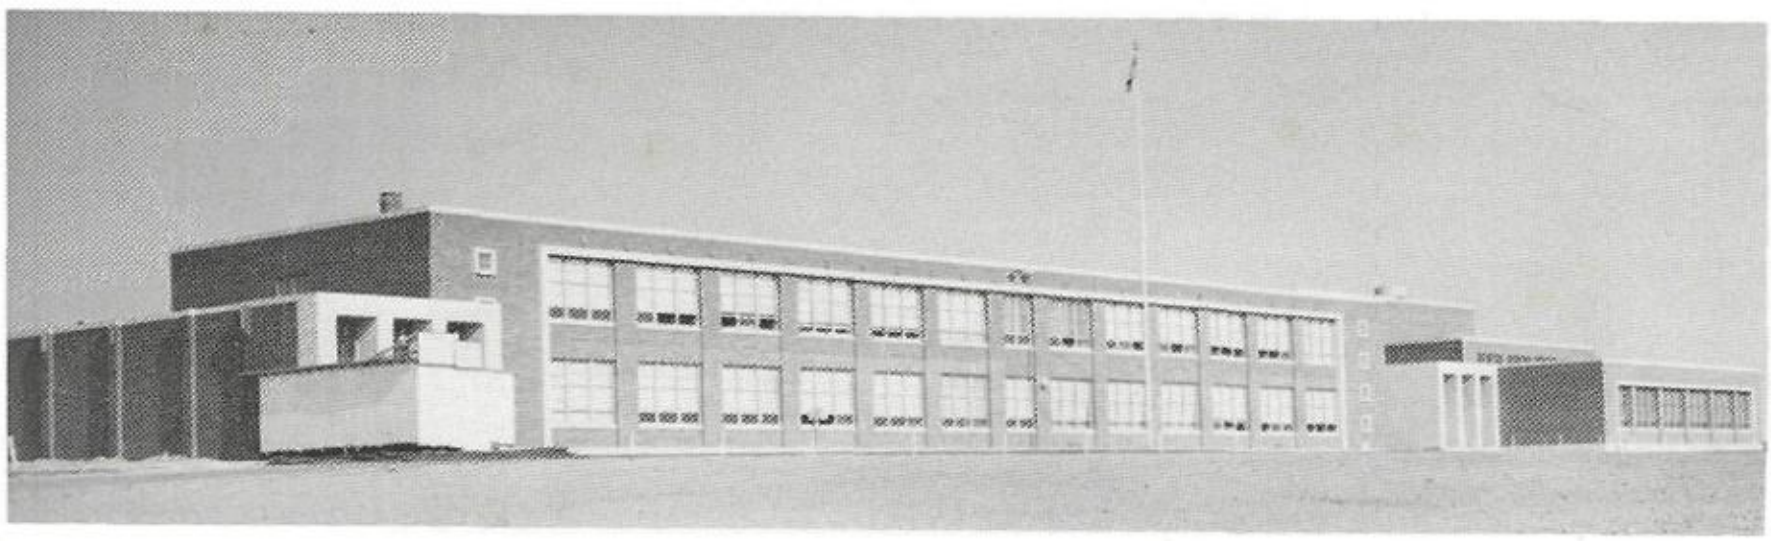
OF DEVELOPMENT



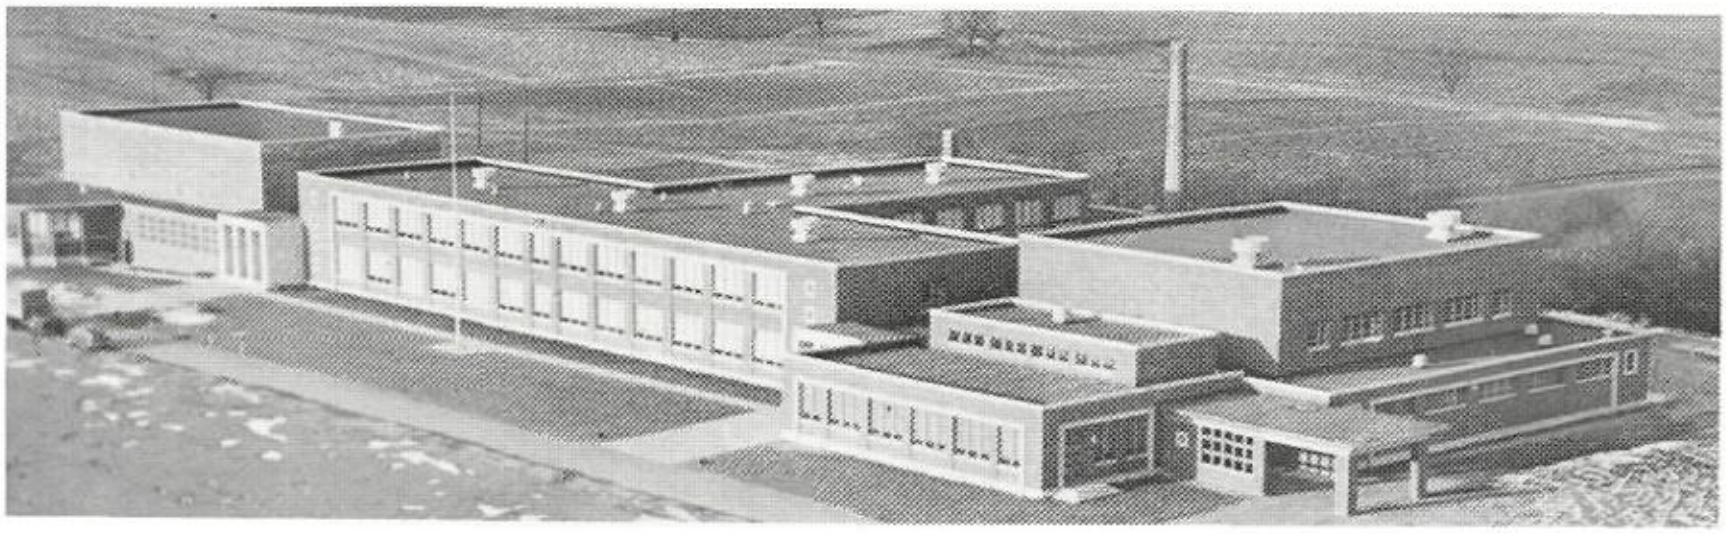
The birth place of education in our district.



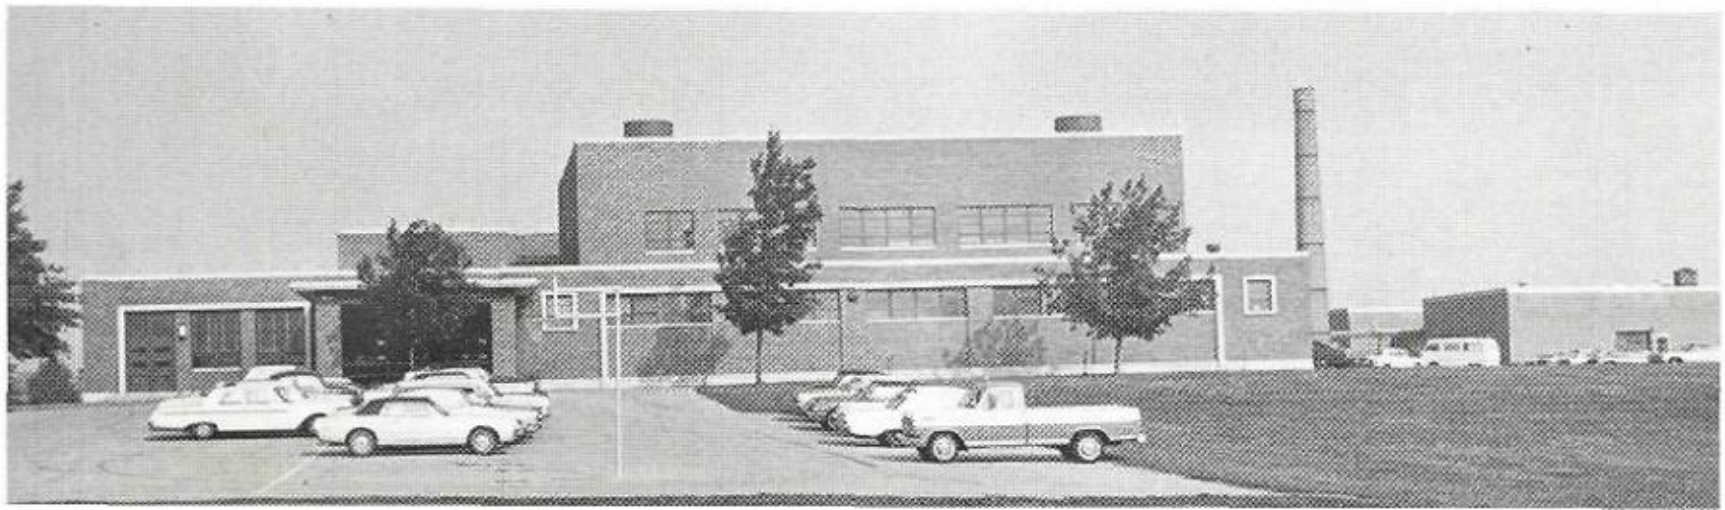
THE RING: A High School memory.



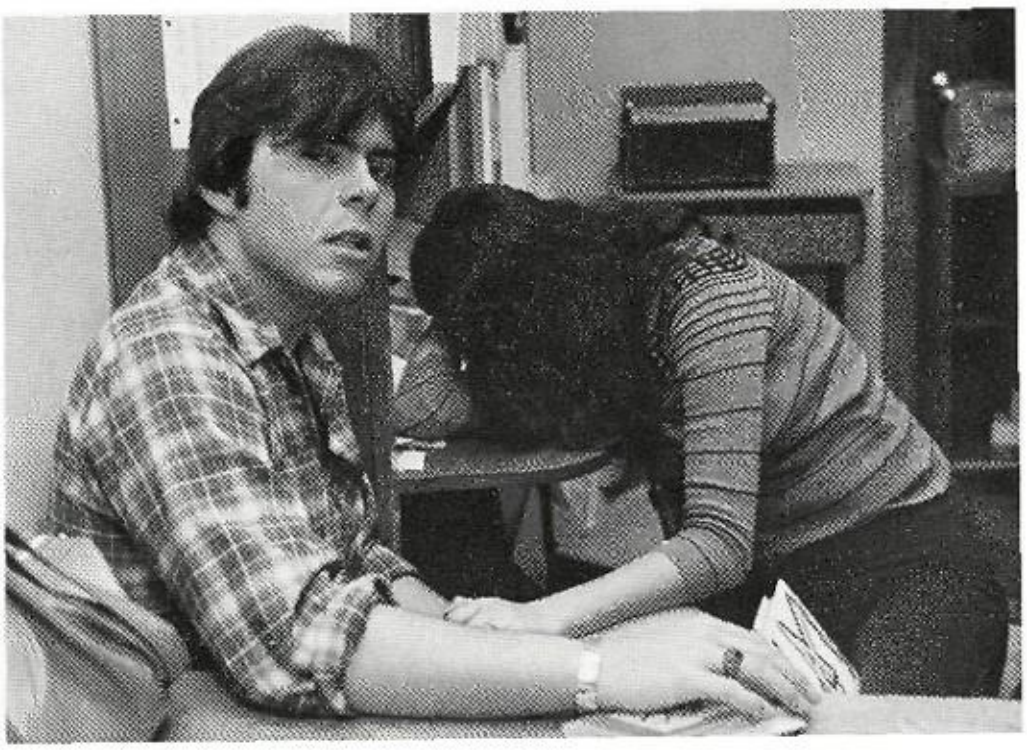
Stage one; Kennard-Dale, which combined 8 school districts opened September 2, 1952.

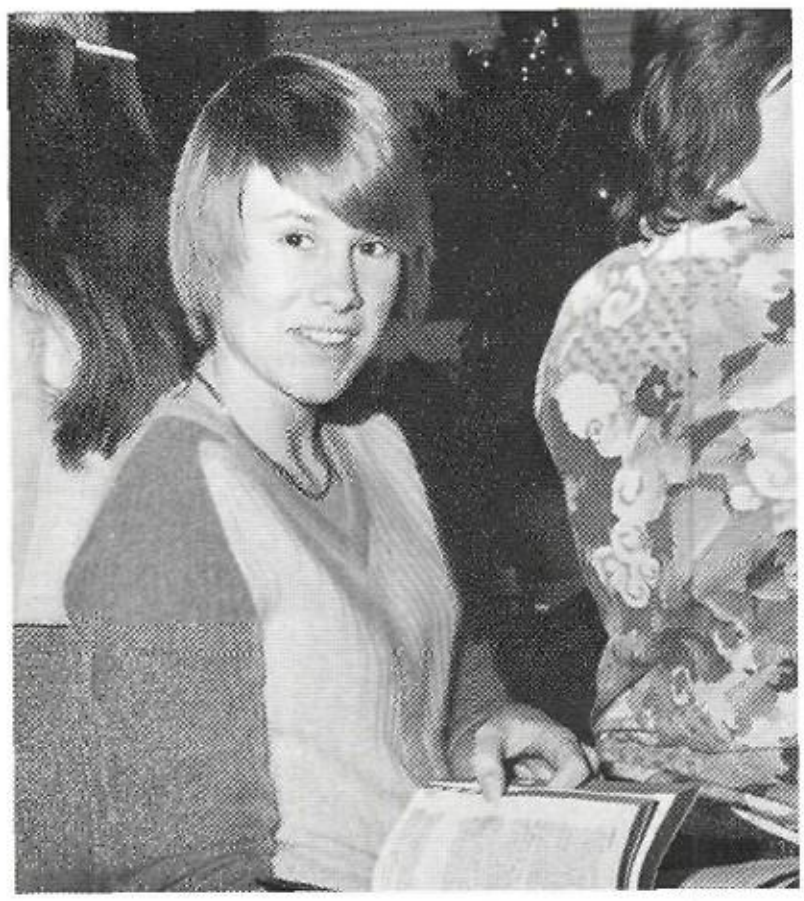


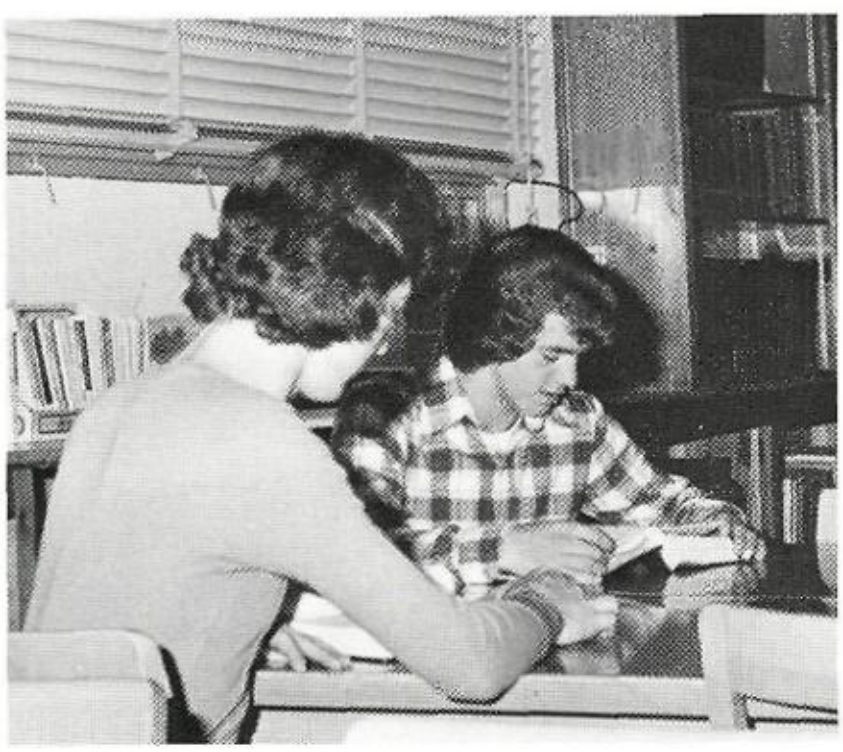
ABOVE: Stage two: In 1954 Kennard-Dale constructs Auditorium and Music Room. *BELOW:* Stage three: With the addition of the shop area in 1964, more room was provided for agricultural studies.

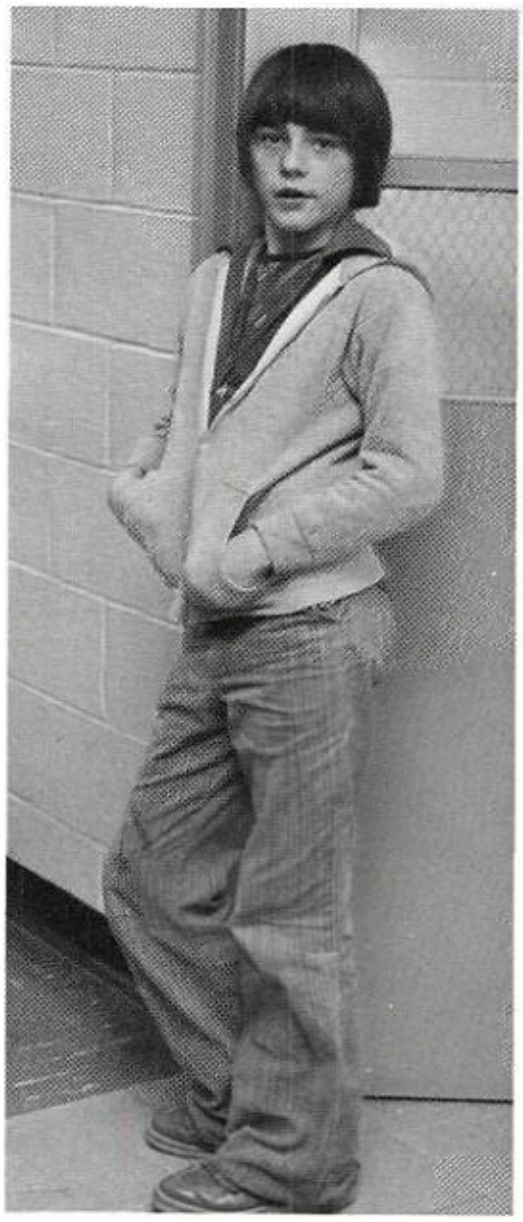


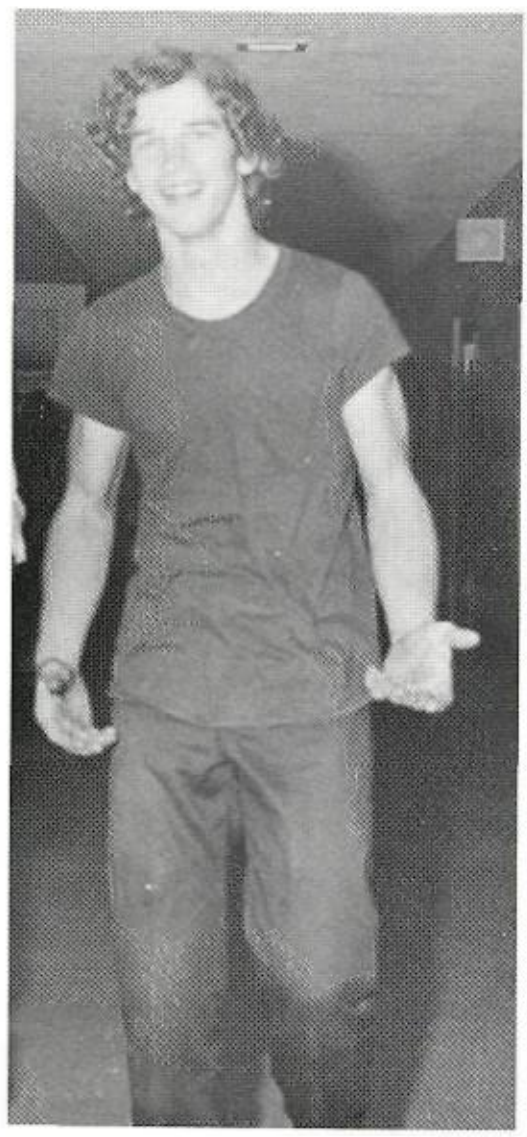
So I wanna laugh
while the laughin' is easy
I wanna cry
if it makes it worthwhile
I may never pass this way again
That's why I want it with you.

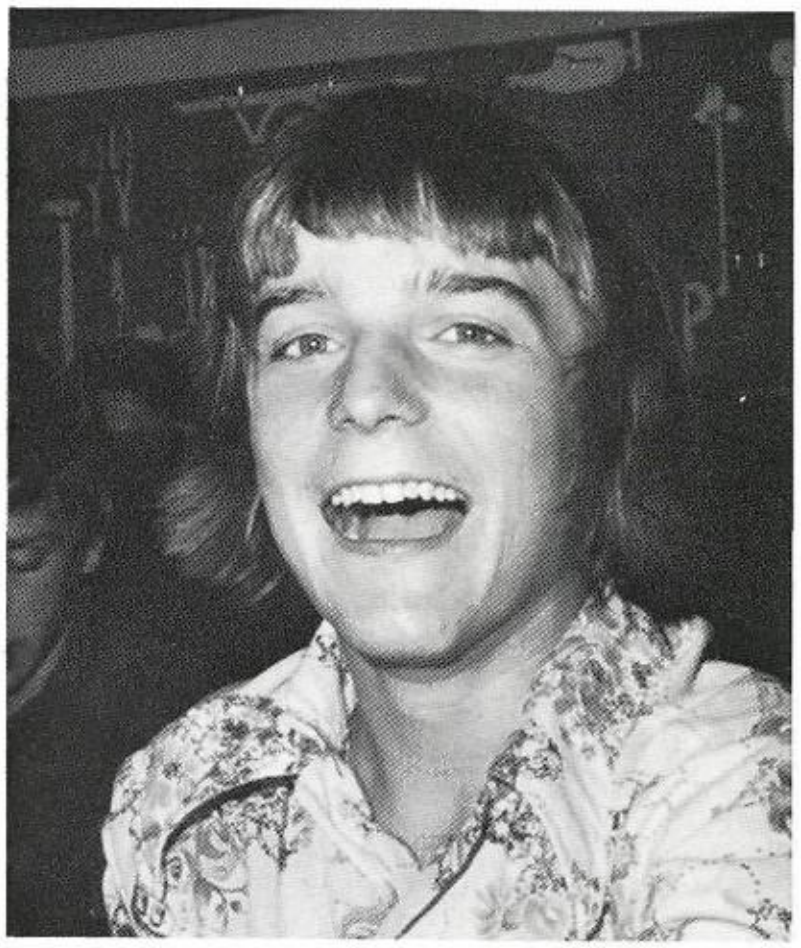


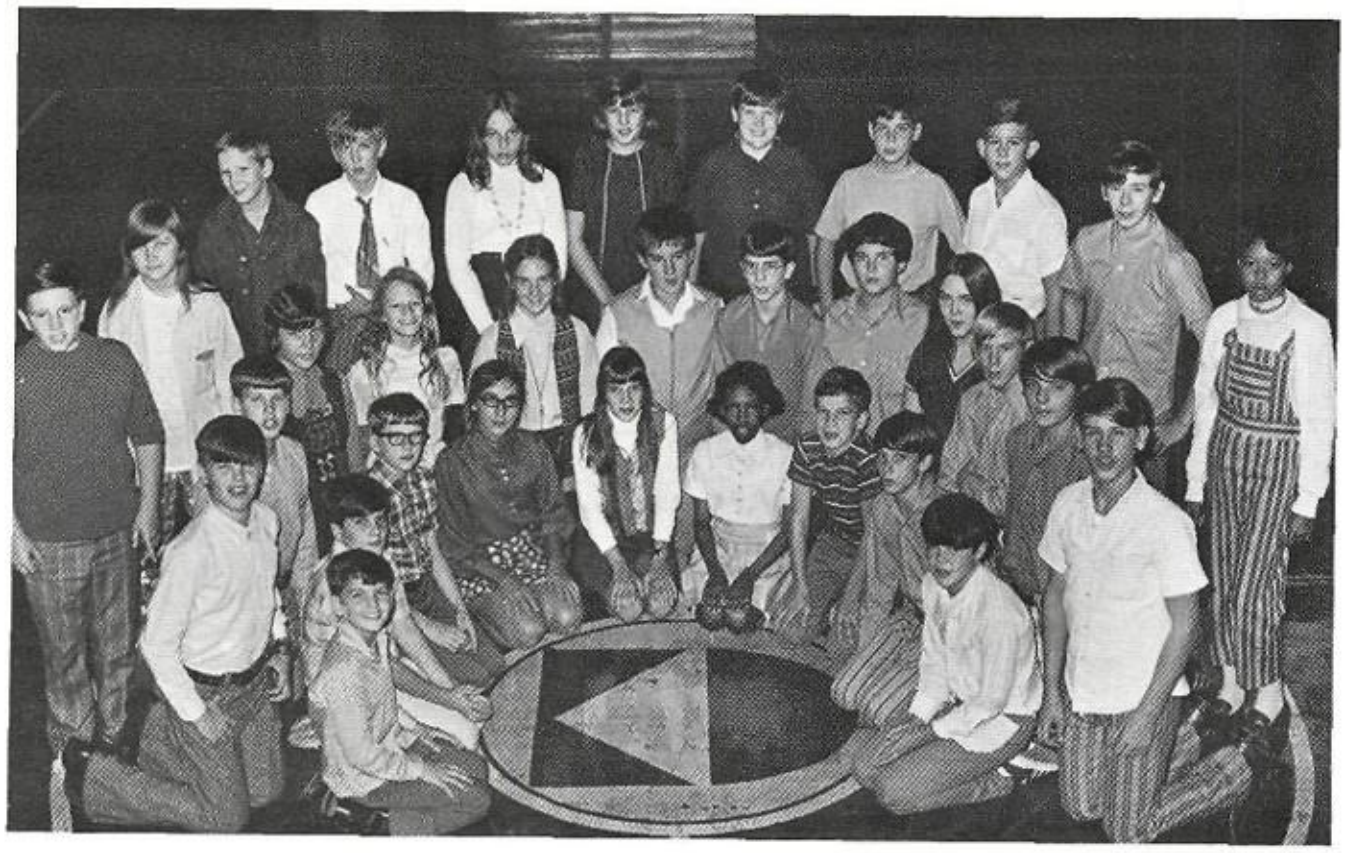


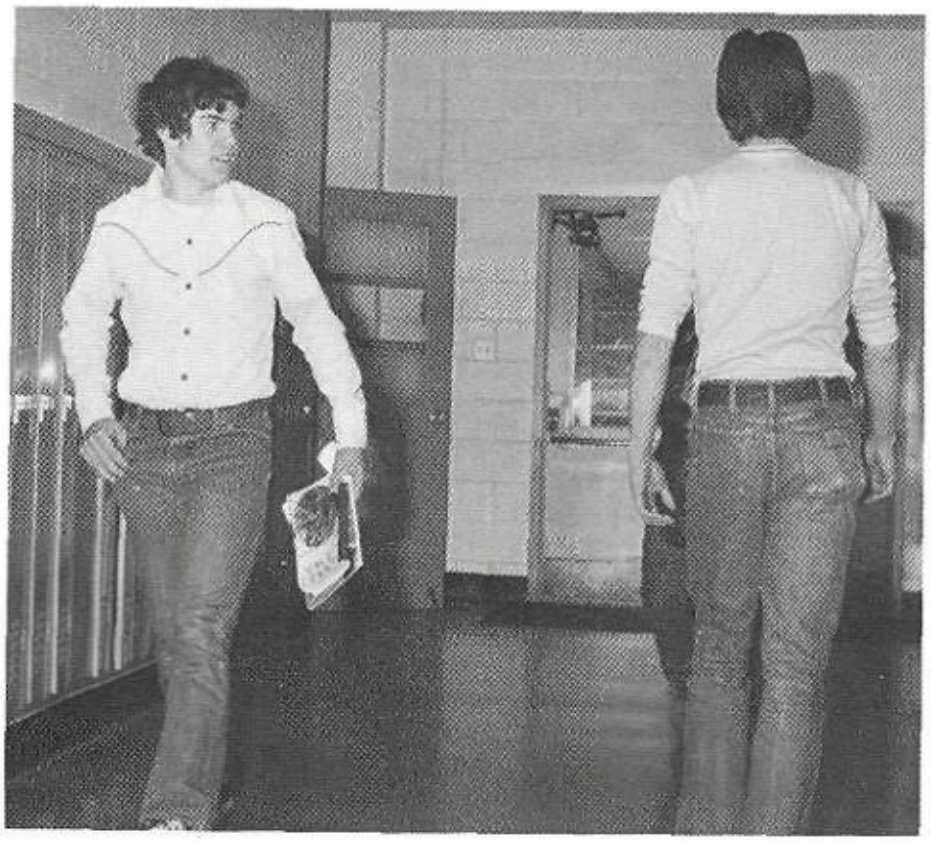


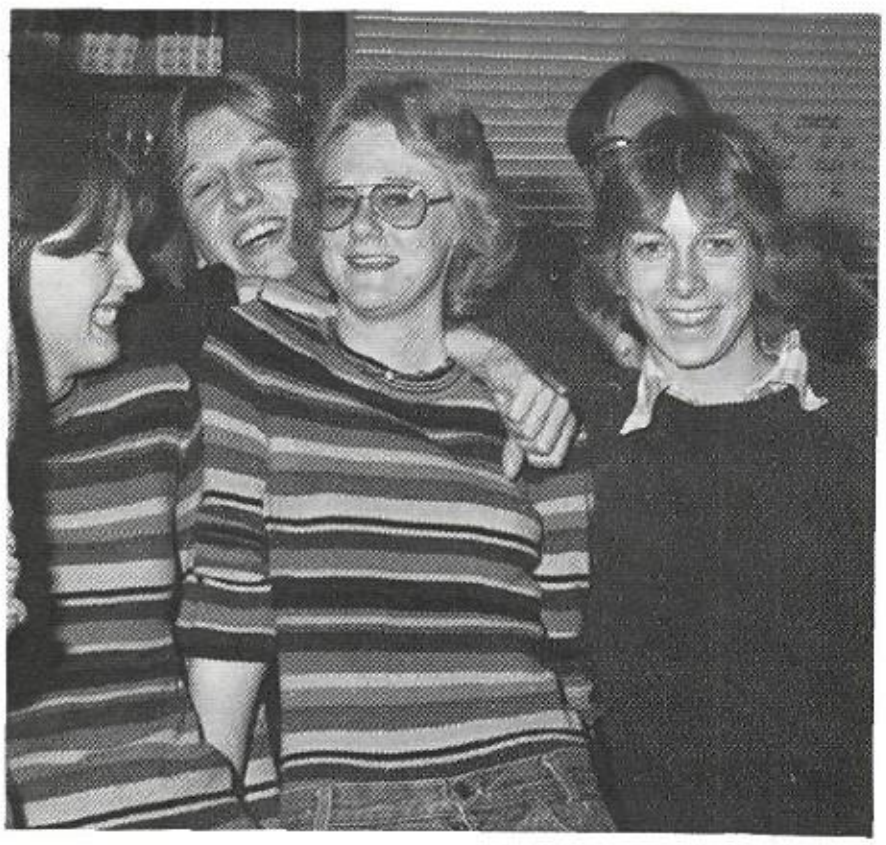


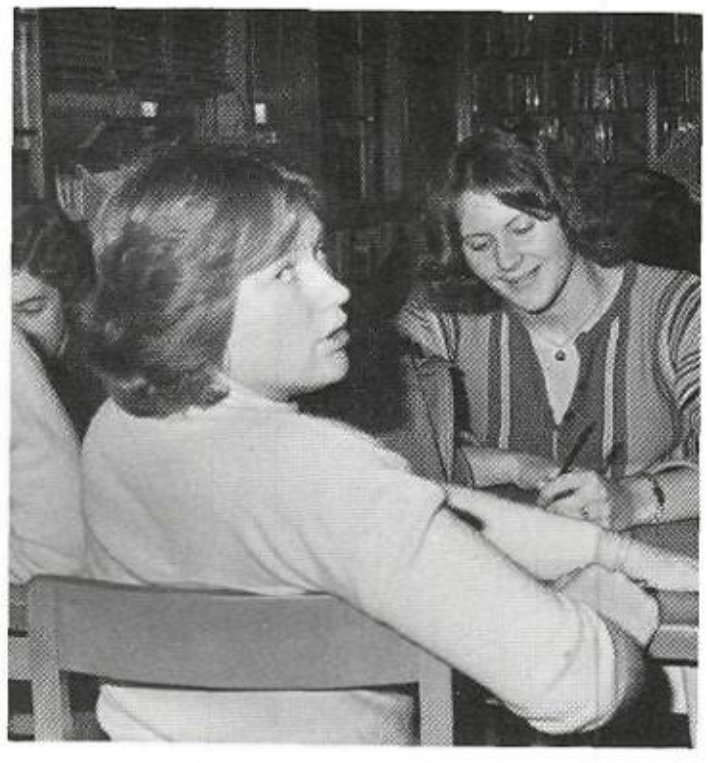


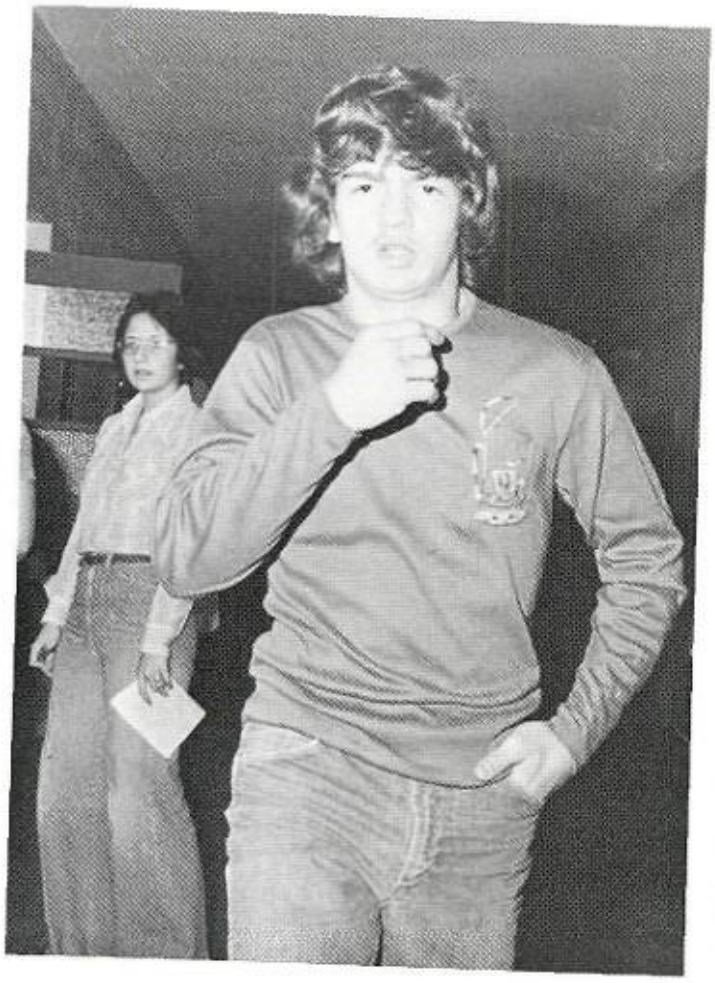


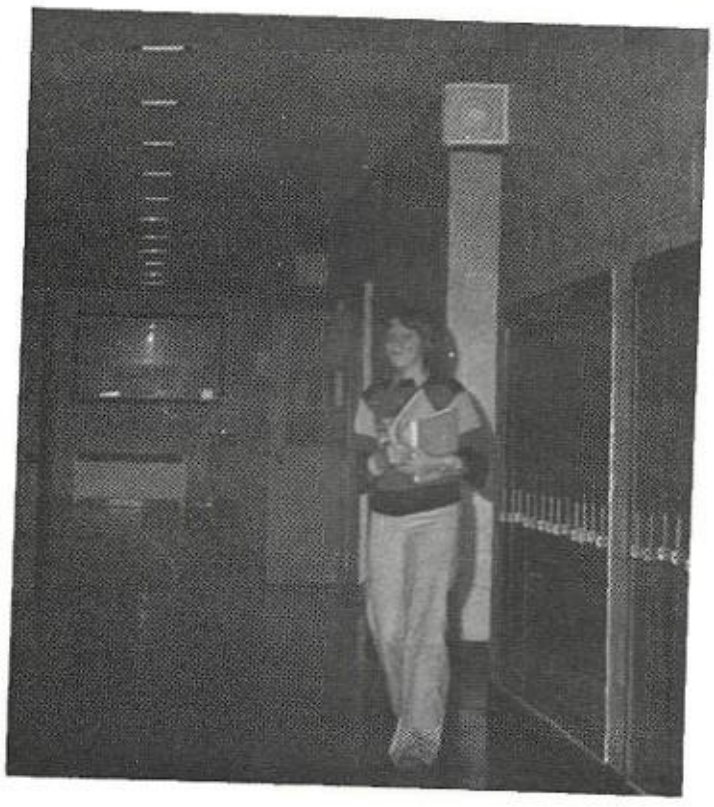




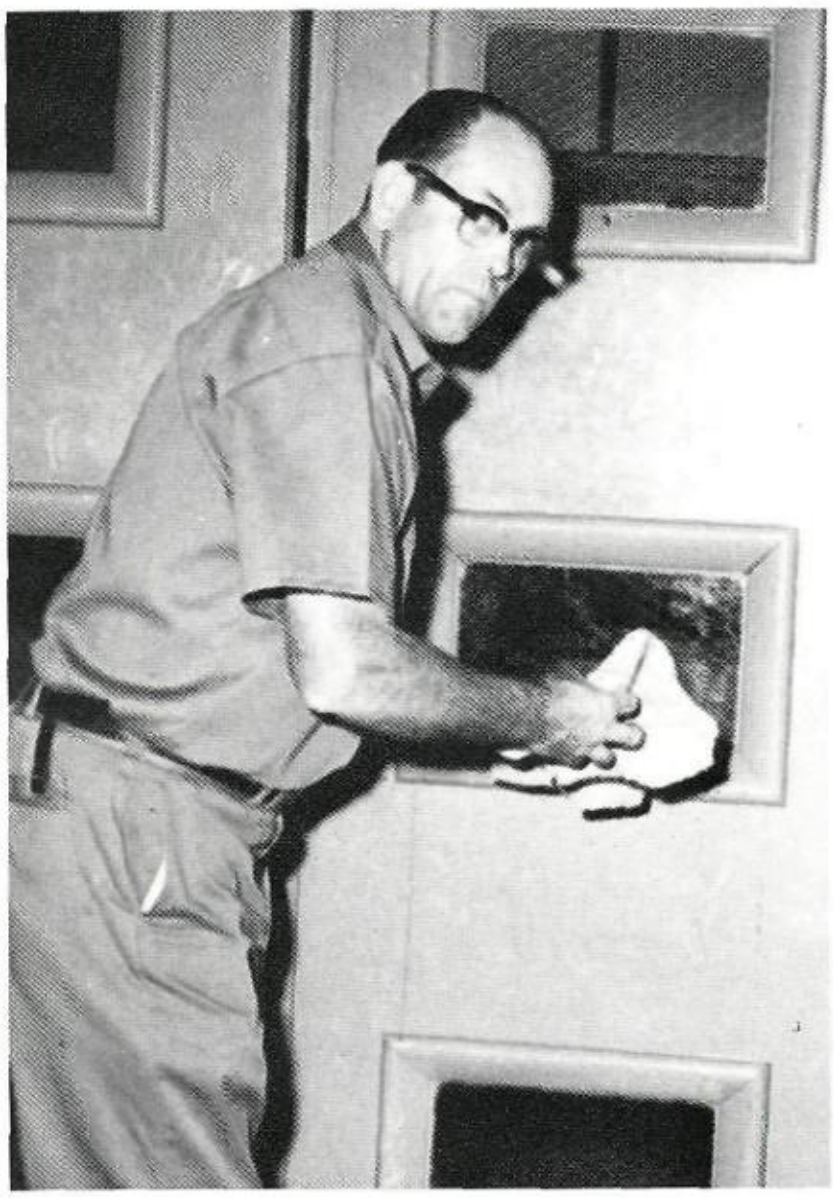








Cause you make me feel like
I'm more than a friend
Like I'm the journey
and you're the journeys end
I may never pass this way again,



In dedicating a yearbook, we attempt to choose a deserving person who has been an important part of our years at Kennard-Dale. Many people were considered for this before we chose the person to whom we dedicate Fawn '77.

This person began work at Kennard-Dale on April 5, 1965. He served almost eleven years in helping maintain a clean, bright environment through his janitorial duties at K-D. He and his wife, worked late many times to clean up after student activities. He also served as custodian at the Fawn United Methodist Church and was quite active in the Fawn Grove Fire Company before his death on October 13, 1976.

Therefore, we sincerely dedicate the Fawn '77 to the memory of Mr. Weaver Ruff.

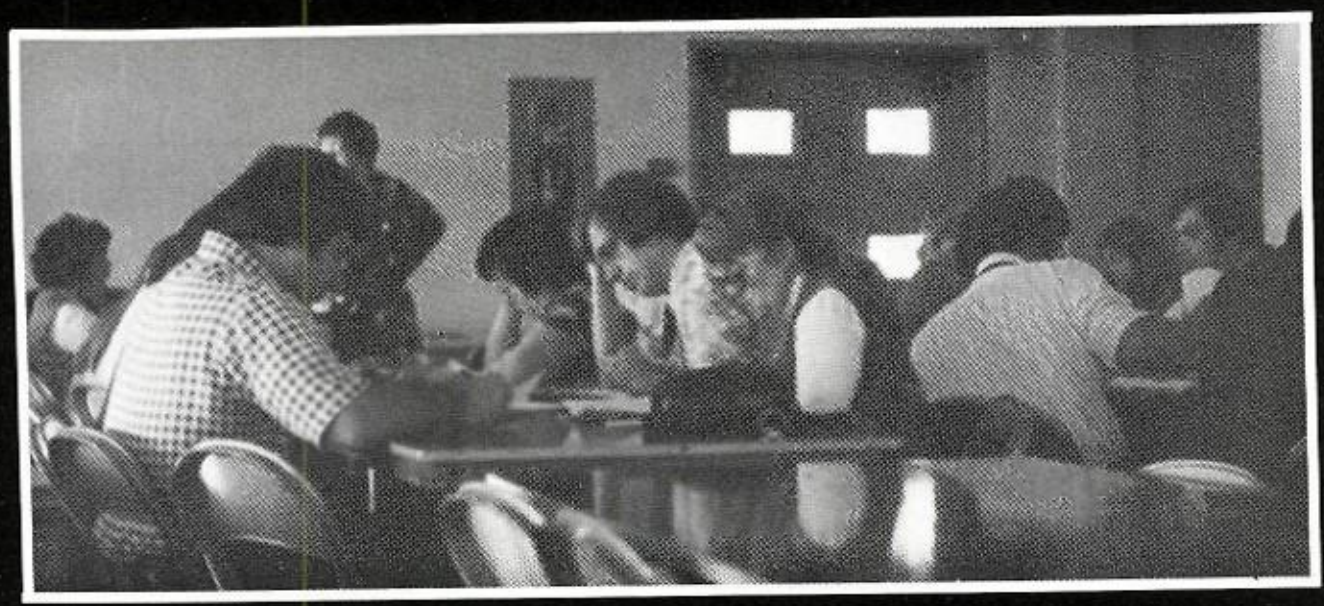
FACULTY



nineteen

Since the last academic year, many changes have transpired in the curricular atmosphere at Kennard-Dale. For instance, courses have been assigned a weighted value which affects overall scholastic achievement. The honor rolls have been determined through computing the weighted value along with the actual grade earned in a course. This is the first year that Scholarship Reports (report cards) have been processed by computers.

In the Math Department, business students are now required to take General Algebra. Also, there have been a number of changes in the English Department. Physical Education courses have become co-ed for juniors and seniors this year. All these changes have been made for the betterment of the curriculum and student body.

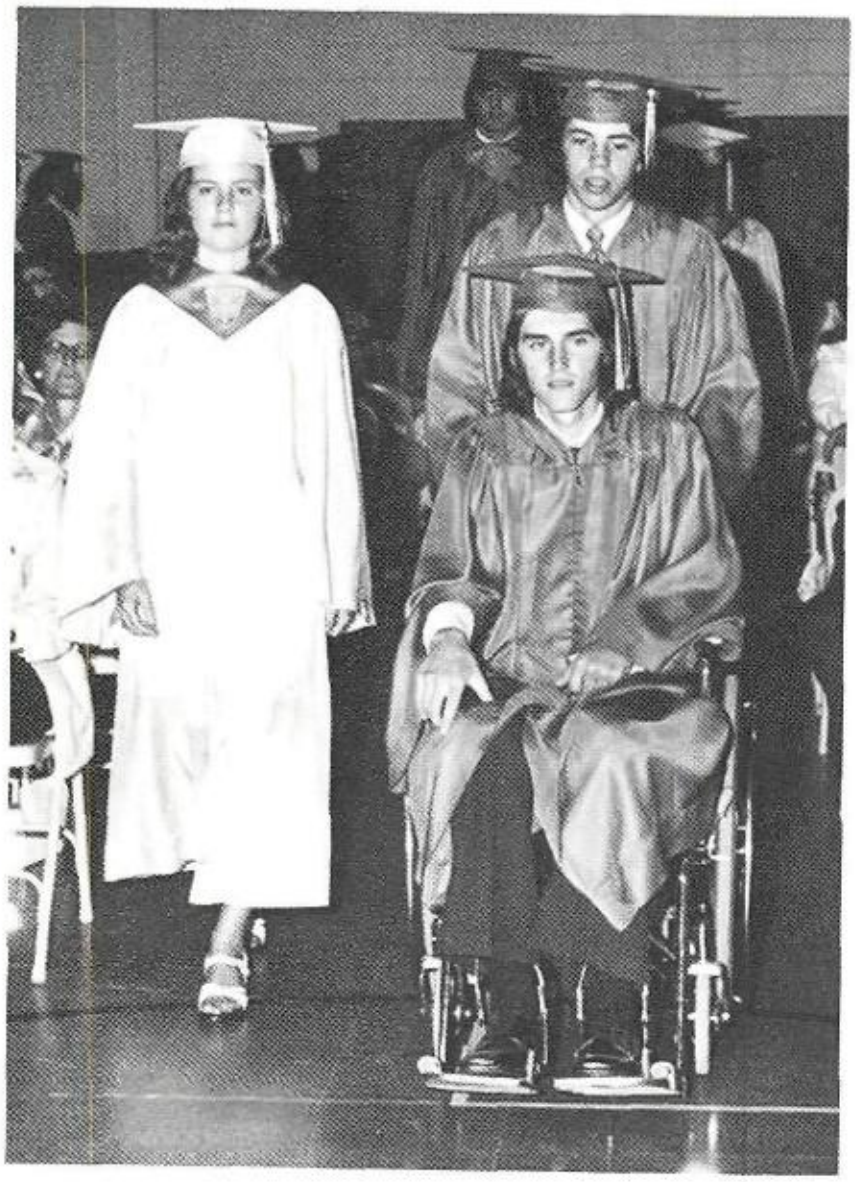
PROM AND COMMENCEMENT

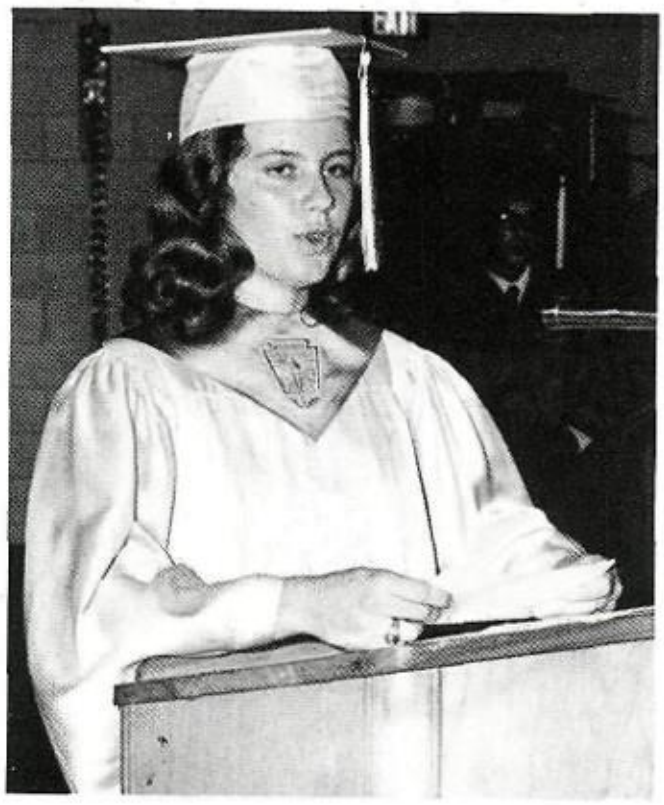
nineteen seventy-seven

THE FIRST COMMENCEMENT

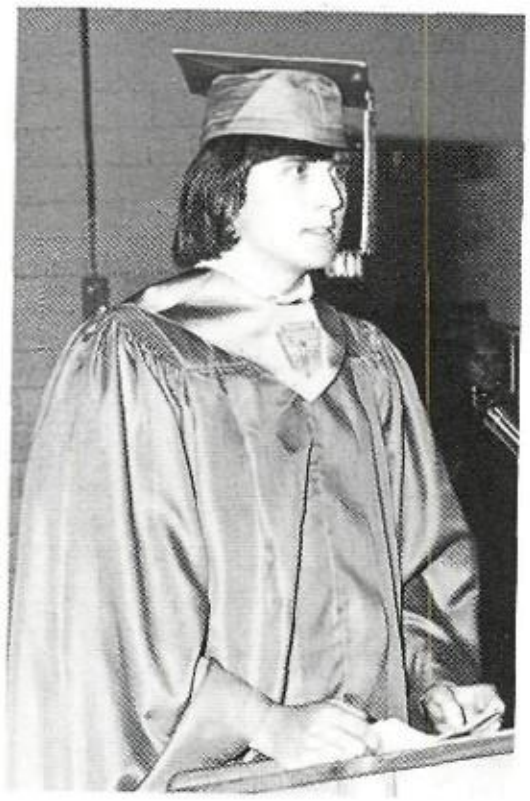
Commencement was held on the evening of May 27, 1976 in the Southeastern Middle School Gymnasium. The accommodations were excellent, there was room for everyone who attended the occasion. In the past, when the commencement was held in the Kennard-Dale High School Auditorium, there was not enough room; therefore, people had to watch the graduation by videos in other rooms of the building. The Class of 1976 had 115 students graduating. Mary Ann Stewart, valedictorian, Thomas Erisman, salutatorian, and Timothy Gibbs, Class President, delivered speeches on the theme, "We've Only Just Begun." The Historian, Valerie Hewell, discussed the history of the graduating class. Dr. Luther B. Sowers, Superintendent, and Mr. Charles Lutton, President of the School Board, delivered farewell orations. The Concert Band provided music and the Senior Chorus performed selected numbers.



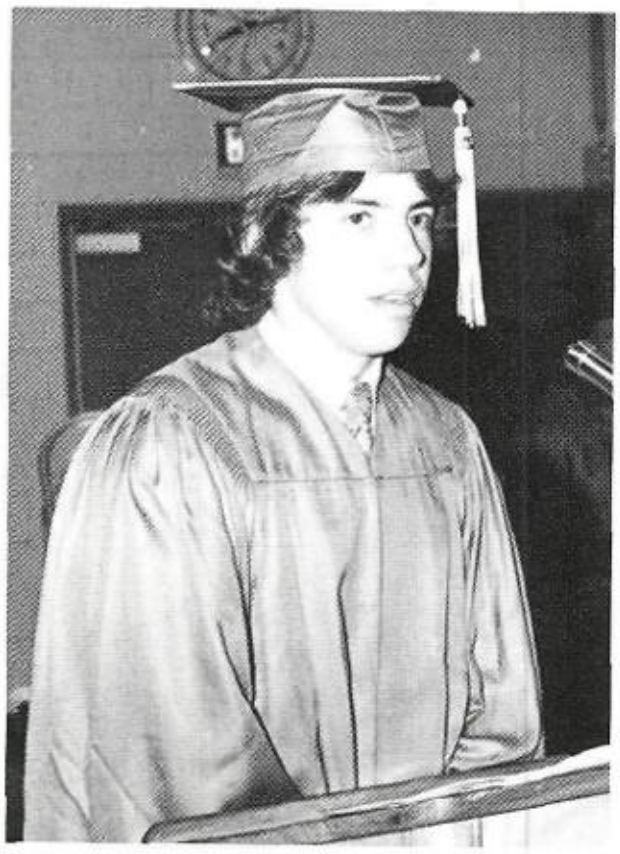
Mary Ann Stewart, Timothy Gibbs, and Randy Winemiller lead the processional.



Mary Ann Stewart gives the valedictory, "To Live and to Change."

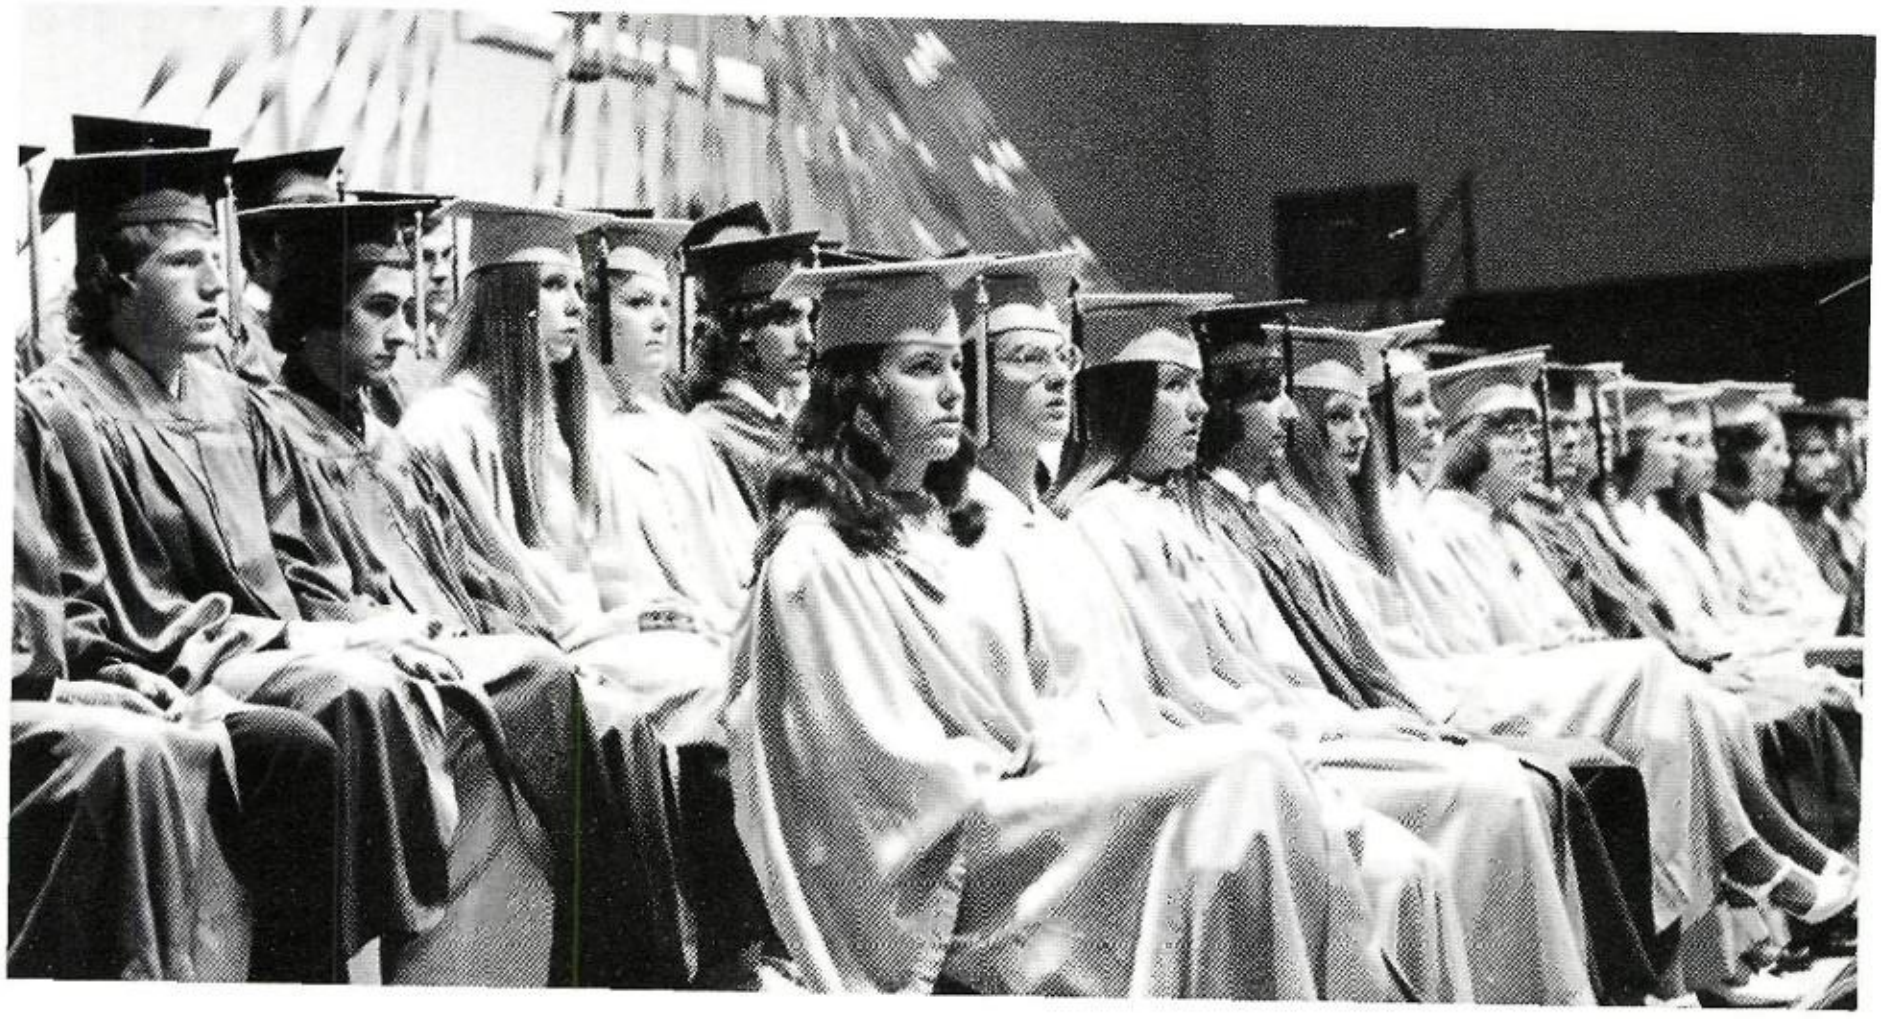


Thomas Erisman, the salutatorian, gives his address, "To Prepare for the Future."



The class president, Timothy Gibbs, welcomes everyone to the 1976 graduation.

IN THE NEW MIDDLE SCHOOL GYM



The Class of 1976 eagerly await their diplomas.

Valerie Hewell presents the history of the class.

Mr. Charles Lutton, President of the School Board, congratulates Lesa Boyer.

Members of the Junior class worked diligently to make the May 8, 1976 Junior-Senior Prom a success. Returning to tradition, the class voted to hold the Prom in the Kennard-Dale gymnasium. The theme was "We May Never Pass This Way Again." Entertainment was provided by Midnight Express. The King, James Preston, and the Queen, Virginia Wolf, were crowned by the 1975 Prom King and Queen. With 125 couples present, the Junior Class was very proud of their accomplishment.

The freshmen hostesses, Marcia Smith, Wanda Good, Marilyn Hess, Laura Stratmeyer, Lori Marsteller, and Julie Morris help with the Prom.

Couples enjoy themselves at the Prom.

The newly crowned King and Queen lead the coronation dance.

Crownbearer, Angela Forbush, shows her disappointment in not being selected Prom queen.

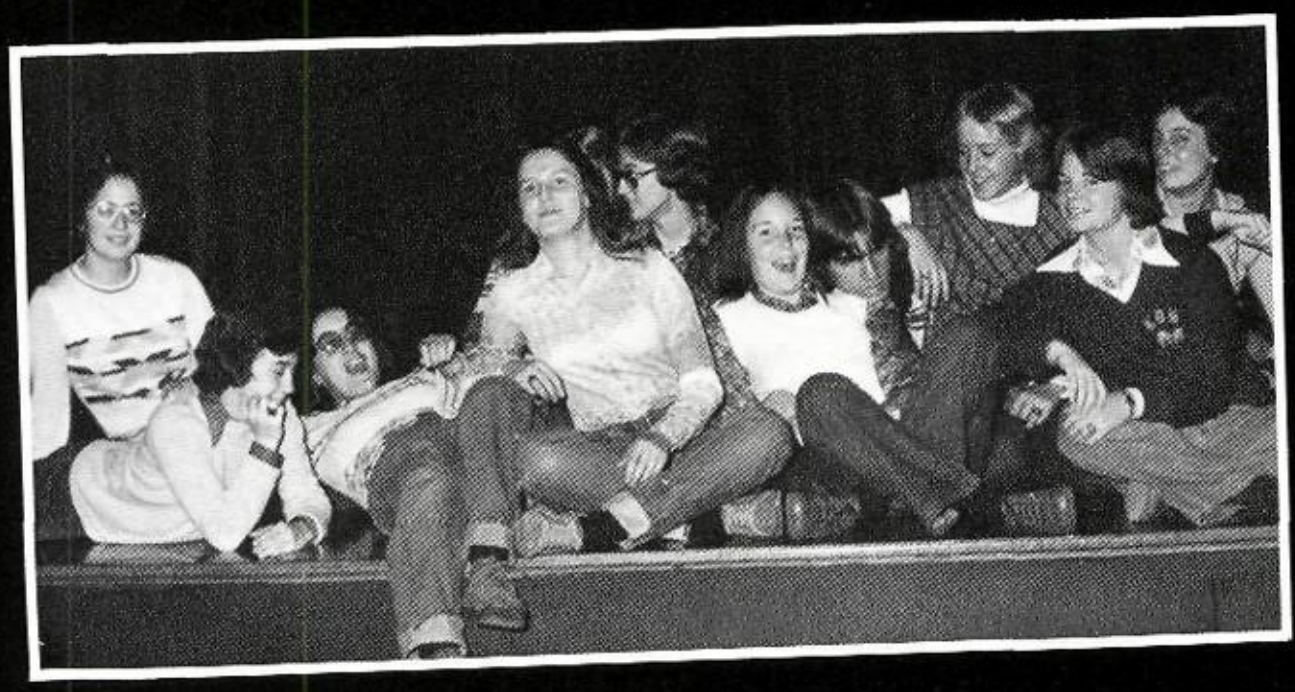
SENIORS



nineteen
seventy-seven

Upon entering seventh grade, the Class of 1977 had its beginning. Our first class trip, sponsored by the science department, was to the Huntsdale Fish Hatchery above Yellow Breeches Creek.

Eighth grade, seeing us one year's experience at Kennard-Dale, was kicked off by a Halloween Party. The class was also taken to Harrisburg to study our state's history. In February, we sponsored a Valentine's Day Dance.

Ninth grade brought few activities for us. We had our first experience in building a float. Even though it was a disaster and received last place, we had a fun time working on it.

Tenth grade brought more good times. Our float featuring "Snoopy" was a big success. Class pins took on a new style and many people ordered them. Determined not to be short of funds as seniors, we sponsored a bike raffle. The ring committee designed a new ring, ordered at the beginning of our junior year.

As Juniors, we hosted the Prom entitled "We May Never Pass This Way Again," featuring Midnight Express. Among our other accomplishments, we held a very successful sub sale and won first place with our class float in the Homecoming parade.

The Class of '77 was the first class to enter its senior year with a large bank account. As Seniors, we faced many conflicts about our class trip and our class projects. As seniors, we overcame our problems, ordered our commencement announcements, and looked forward to our futures.

Looking back upon our six years at Kennard-Dale, our experiences have been a significant part of our lives. We will cherish the moments, the events, and the people which have influenced us in our years at Kennard-Dale.

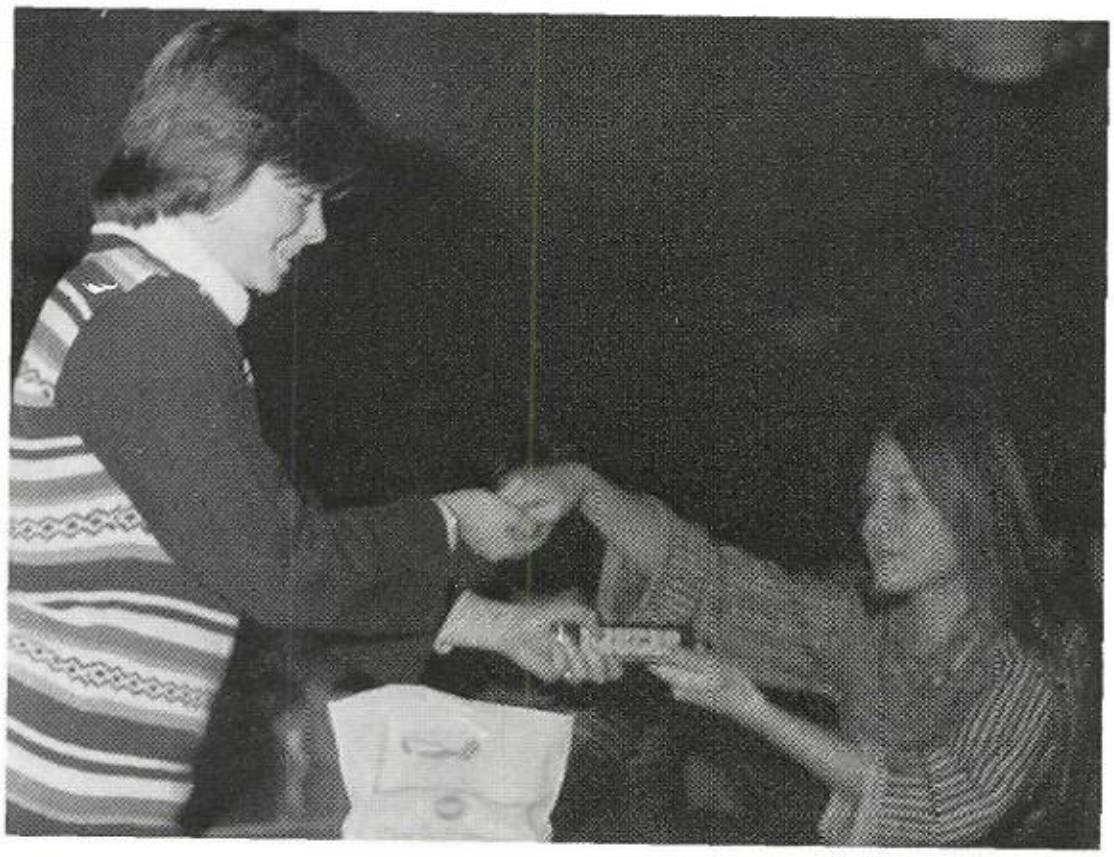
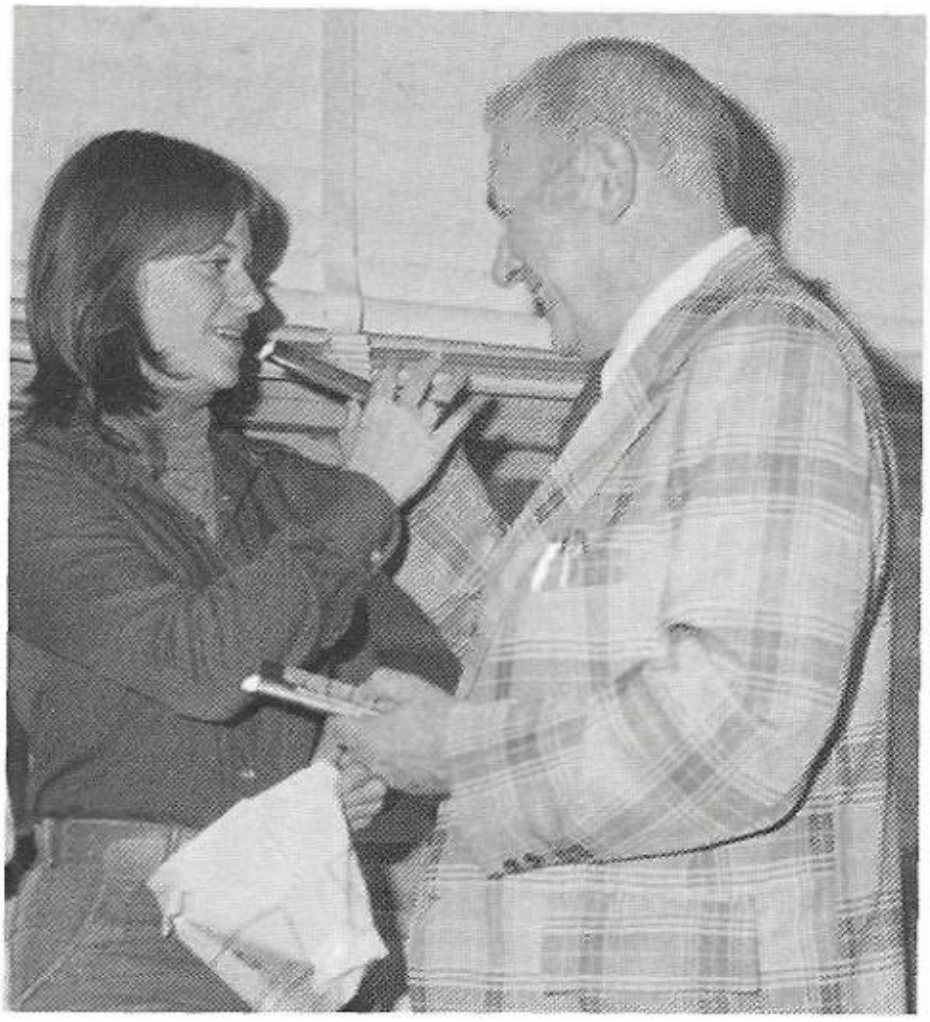
FINANCIAL GOALS REACHED

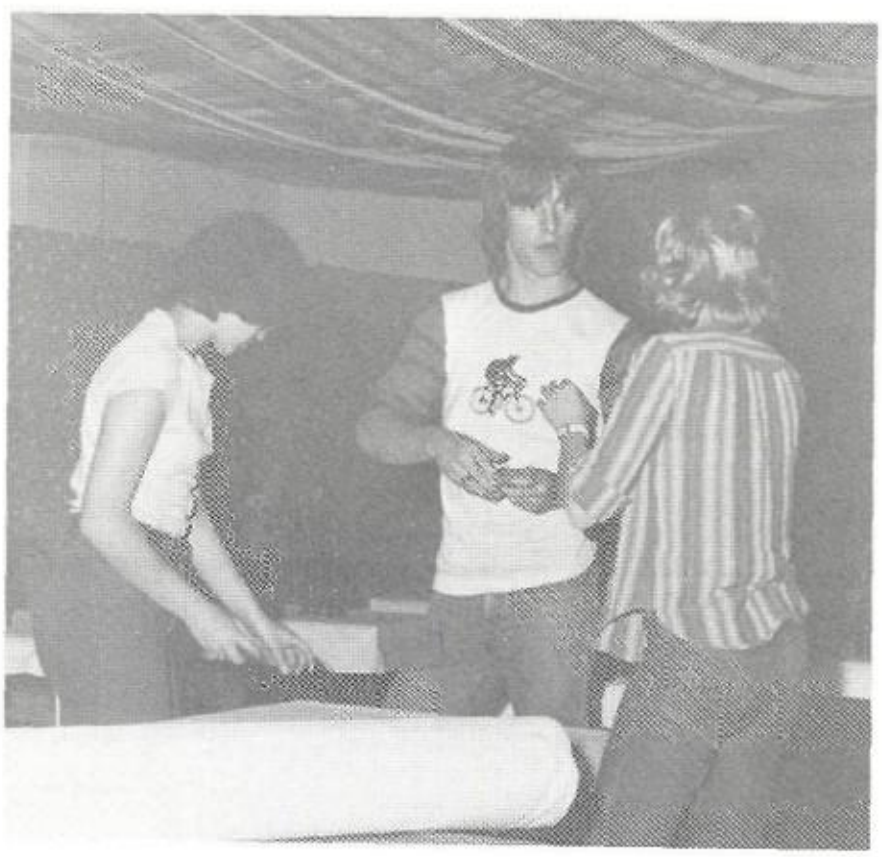
Kathy Morris promotes the sale of candy bars to customer, Lesa Miller.



Throughout the years, the class of '77 has worked hard to make each class project a success. In tenth grade, the bike raffle that we sponsored was quite successful. As juniors, we held a sub sale and hosted the 1976 Prom. As seniors, we raised money to pay the expenses of our class trip. The traditional candy bar selling progressed smoothly and a chicken-B-Que was held in the spring.

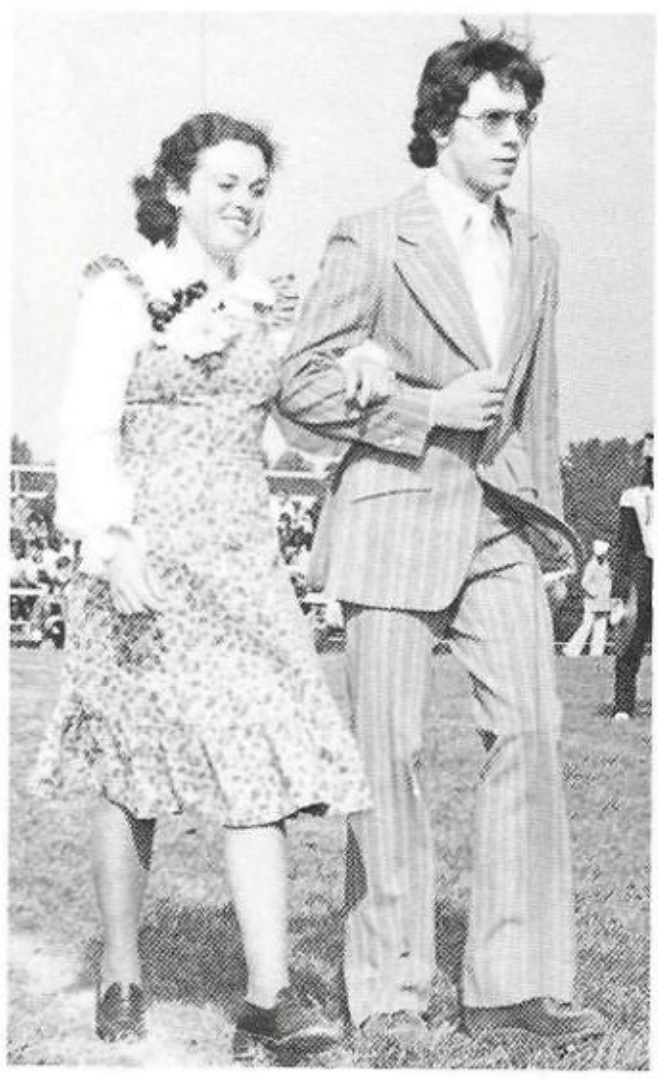


Ruth Lowe and class advisor, Mr. Ecker, try to devour the last few candy bars.



Kathy Clark, Monti Joines, and Beth Maddox prepare the table for use at the 1976 prom.

VISITORS FROM GERMANY



John takes time from watching "Love Story."
AT RIGHT: Milena Tomasov, Honorary Candidate for Homecoming Queen, is led across the football field by escort, Douglas Jones.

Milena Tomasov Werth was an exchange student from Chile brought here by the American Field Services. Another foreign student, John Wagner, came here from West Germany to live with relatives and attend school. We, the staff, asked them to write about their first impressions of our school, students, and faculty.

"When I first came to the United States, I was surprised by the many differences between the German and the American schools. In America the school day is longer, there is no school on Saturdays, and the relationship between the teachers and students is different. The atmosphere is more friendly and personal than it is in Germany. After a month, I became accustomed to the changes and found them very pleasing.

Another thing that has made my being here more comfortable is the fantastic people at Kennard-Dale. Since Kennard-Dale is a relatively small school, in a short time I came to know most of the students. They all are very friendly and helped me to find my way through the unfamiliar new world.

The teachers helped me very generously with my problems. They were always ready to answer my questions about school work. I want to especially thank Mr. Brant, who often gave me his time after school to explain to me some mysterious math problems.

I would also like to thank Mr. Bach and Mrs. Darkes for their many efforts in helping me to succeed. Because of them, the possibility of my going to college in the United States has become more of a reality."

AND CHILE

"If some time during the year you met a girl from Chile, that was me. Being here at Kennard-Dale I had a beautiful year. Who ever thinks it is easy to live in a foreign country is far from the truth. Being an exchange student is the nicest experience, and in fact brings up questions, doubts and many different things.

An AFS year is quite varied. Yes, though it is difficult to believe, there were moments that I didn't want to leave. There were also some moments that I wanted to pack my suitcases and leave as soon as possible. One such experience was my first test, in which I thought I knew the answers but didn't understand the questions. At this time I was very appreciative for the patience and helpfulness of the teachers and students.

Sometimes I find myself almost hating school. I must get up early in the morning and work late at night on homework. Other times I find myself jumping with joy at a Kennard-Dale game.

One day I decided to learn more about the rules and regulations of Kennard-Dale. Unfortunately, I got detention. Although I am not sure if my Spanish accent adds to the chorus, I enjoy singing very much. I was also a member of the girls basketball team, but many times I wondered if I did not cause Mrs. Platt too many problems. I found my trips with the FFA very interesting.

I will always remember a rainy football game, the marching band, "Homecoming," the American History test I failed, and my many other experiences at Kennard-Dale.

I will always carry with me an enjoyable thought of Kennard-Dale. In my mind there will always be a picture of blue and gold. When I wear my Kennard-Dale jacket or sweater, I will always remember my American friends."

Milena learns the techniques of typing.

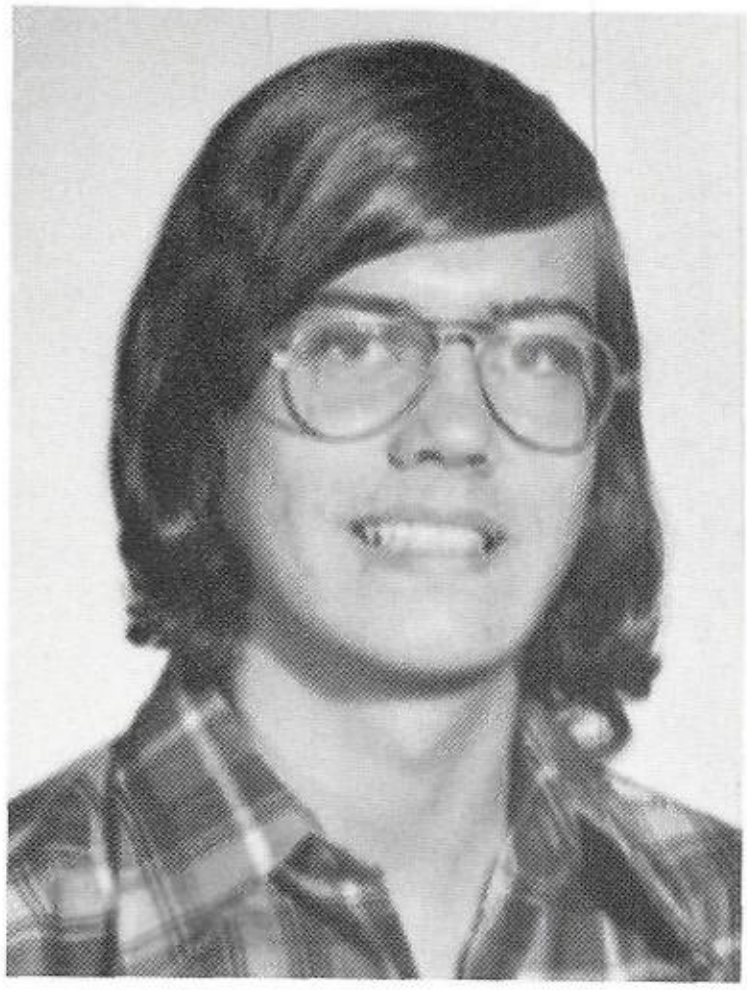
IN MEMORY OF



JAMES J. "MITCH" MICHAEL

James J. "Mitch" Michael was born March 30, 1959. Mitch attended kindergarten in Stewartstown. From there, he attended St. Mary's Catholic School in York until seventh grade. Then, he attended Kennard-Dale High School until his death on February 23, 1976.

Throughout his life, Mitch was very active in school and community activities. He was a Champion Speller in the Patriot News Spelling Bee, frequently attended square dances around the community, and was very active in Scouting for many years. In 1973, he became an Eagle Scout, the highest honor that a scout can receive. In ninth and tenth grades, Mitch played on the Kennard-Dale baseball team. His love for the sport also aroused him to play for the Stewartstown Tiger Baseball Team. In addition to these, he was a member of the Saint John the Baptist Church in New Freedom, PA.

Mitch was a true friend to all those who knew him and students at Kennard-Dale shall always remember him and his concern for others. The many special moments we have shared with Mitch are unforgettable. James Michael will remain in our hearts forever.

AFS SPONSORS EXCHANGE STUDENT

American Field Services Club is a recently formed organization. They have sponsored an exchange student, Milena Tomasov, for this year. The club wishes to continue to sponsor exchange students in the following years. As a fund-raising project, the AFS Club held an Ugly Couple Contest. Ten teachers competed for the title and students and teachers voted with nickels for the two winners. All the contestants were rewarded with consolation prizes. The winners, Mrs. Atkins and Mr. Gallagher, were crowned at the Spirit Jug Pep Rally. The AFS Club plans to have more fund-raising activities in order to sponsor future exchange students. At right: Milena Tomasov crowns Queen Ugly, Mrs. Atkins, and Margie Erisman crowns King Ugly, Mr. Gallagher, as Kim Fleischmann explains their gag prizes.

Library Club provides innumerable services to the students at Kennard-Dale. Mrs. Wagner and her aides are always glad to help students find sources for research and books to read for enjoyment. A pleasant atmosphere is maintained in the library, and many materials are available for student use. The library formerly had to maintain all audio-visual equipment. KEYSTONE FARMER DEGREE

Of all the student organizations at K-D, FFA is the largest and most successful. Some of its members have been awarded state honors, such as the Keystone Farmer Degree. They have participated in the State Farm Show, State FFA Band and Chorus, Public Speaking Contests, and Parliamentary Procedure Contest. The Parliamentary Procedure Team captured first place in the county contest and third place during state competition in June. All of these would never have been possible with the dedicated guidance of their advisors.

BUSINESS STUDENTS PROFIT

Among their many activities, the FBLA ran the school store which provides various school supplies. Last year, at Shippensburg, members of the FBLA won awards in competition with many other FBLA chapters. John Yost won third place in Business Math, Lori Miller captured second place in Shorthand I, and Jennifer Henry won third place in Accounting II. On March 3, 1977 FBLA members competed in Business Math, Accounting I and II, Shorthand I and II, Spelling, Clerical, Miss FBLA, Mr. FBLA, Clerk Typist I and II, and Public Speaking categories at Shippensburg. Those who won there went on to competition at Host Farms. Mr. Fulton, advisor, along with the other members of the Business Department, help the FBLA members prepare for these activities.

Varsity Club is an organization that all male and female varsity letter winners have a right to be in. To qualify for Varsity Club, a male or female must have earned one varsity letter in an interscholastic sport. They must also continue to play that sport to remain in Varsity Club. A student may earn a varsity letter in football, field hockey, basketball, track, volleyball, baseball, or varsity cheerleading.

The club holds various fund raising activities to pay for the club jackets. This year, the club held a Donkey Basketball game.

Student Council is an organization that was designed to benefit the students of Kennard-Dale. The members of Student Council were chosen by the classes they represented. The presidents of various school organizations and clubs were also invited to be representatives. Although the members were the only people to vote, the club representatives voiced their opinions.

Student Council sponsored the Homecoming Weekend which proved to be a big success. This year, rain did not ruin the weekend plans. Student Council was responsible for one assembly a month. The Winter Carnival was the spring project, and a spirit week and pep rally were planned.

BONFIRE SPARKS

"Rams Give Kicks in 76" was the theme for the 1976 Homecoming weekend. The activities began with a student pep rally. The Homecoming parade was Friday evening, consisting of the band, cheerleaders, Homecoming candidates, and a float entered by each class. The sophomores captured first place in the float contest. After the parade, the bonfire sparked school spirit for the Homecoming game on Saturday, which was unfortunately lost to Susquehannock. The Homecoming Candidates were announced at the game during halftime. The Homecoming Queen, Debra Hess, was crowned by the 1975 Queen, Julie Lanius Crouse. The Homecoming Dance, with entertainment by Federation, closed the weekend's activities.

THE JUNIOR CLASS PRESENTS

"Flowers for Algernon" was the drama presented by the Junior Class on March 12, 1976. It is the compelling story of Charlie, a mentally retarded man, and the strange interweaving of his life with that of Algernon, a mouse. Experimental surgery has been performed on Algernon increasing his intelligence three fold. The operation is tried on Charlie, who rapidly changes from a moron to a genius, far more intelligent than his teacher, Alice Kinnian, or the doctors who created the operating technique. As Charlie approaches his peak of brilliance, Algernon shows frightening signs of regression. The story becomes a race against time.

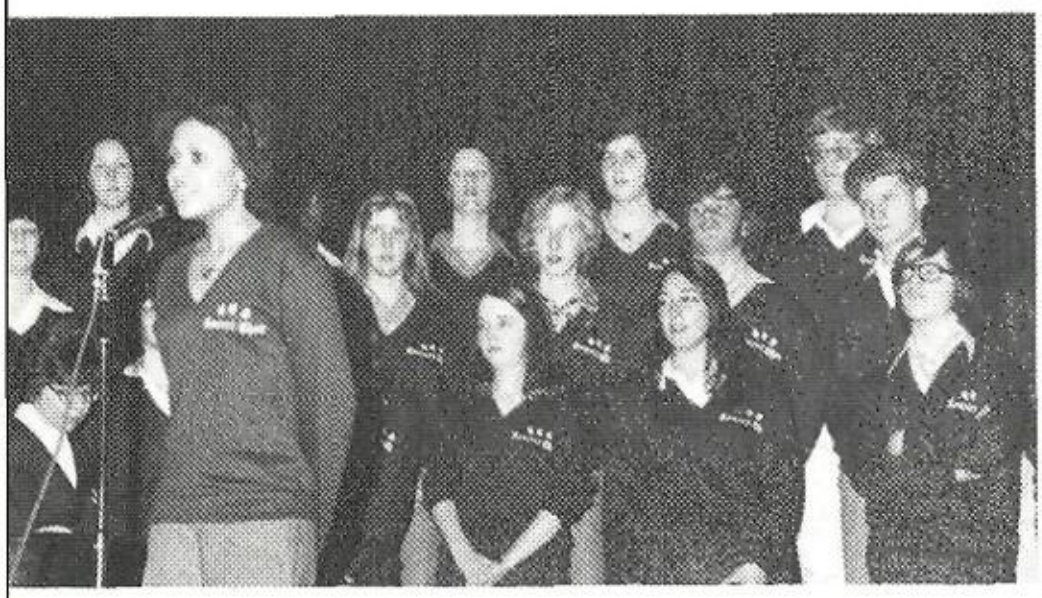
SR. CHORUS INVADES HERNDON

Last year, the Kennard-Dale Chorus had an exchange concert with the Herndon High School Choir First, the Herndon students traveled to Kennard-Dale to perform for the student body and also for the public. Then, the Kennard-Dale Chorus traveled to Herndon, Virginia to give concerts for the public and the students. Our students were impressed with the different lifestyles of the Herndon students. On the return home, the chorus toured the Capitol Building and performed a song while they were at the Kennedy Center in Washington. It was a new, enjoyable, and interesting experience for the entire Senior Chorus and all who accompanied them.

The Kennard-Dale Chorus is welcomed to Herndon, VA.



A member of the Herndon Choir sings for the Kennard-Dale student body.

The weary chorus members finally arrive at Herndon.

PAM SECHRIST

Kennard-Dale and York Suburban players rush back to the 50 yard line, following a goal by the Rams.

Kennard-Dale's Field Hockey team showed much improvement over previous seasons. Under the coaching of Mrs. Platt and Mrs. Gemmill, the team scored more goals than in previous years combined. The defensive and offensive players co-operated in making the team harmonious.

Mrs. Platt gives the Varsity team a half-time pep talk.

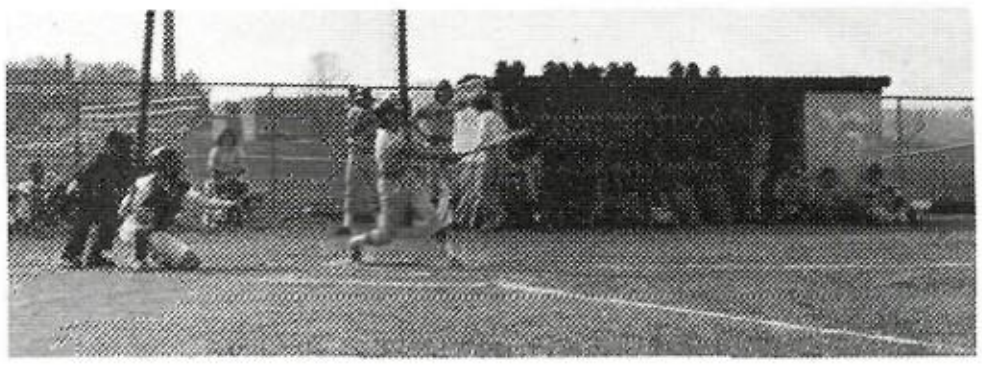
MOST VALUABLE BASEBALL PLAYER

Bill Johnson winds up for the pitch. His pitching abilities brought about his receiving of the Most Valuable Player Award for baseball in the 1976 season.

Kennard-Dale's Baseball team of 1976 had a rather unsuccessful season, winning two out of sixteen games. The team was under the guidance of Sterling Ecker, head coach, and John Fulton, assistant coach. The team had a slim victory over Dallastown in their sixth game of the season. The team was scoreless in four games, but they were always putting forth their best efforts.



Tim Gibbs hits a homer.

JUNIOR VARSITY VOLLEYBALL TEAM

Kennard-Dale's Volleyball team of 1976 was a determined and hard-working group. Although the scores may not show it, the girls had a very successful year. At the District III Play-off, the team won two games against Susquehanna Township and Dover. The annual Alumni Playday was attended by many past members of the team. The Junior Varsity played an extraordinary season winning twelve games and losing only two. Junior Varsity placing second in the league.

BELOW: Mary Ann Stewart, Most Valuable Player for Girls' Track, clears the hurdles in an effort towards victory. Mary Ann was always determined to do her best. In official meets, she often competed in events at which she had no previous practice.

Kennard-Dale's Track Team, after five losing seasons, came back into the winning columns. Some of the reasons for the team's success was their determination to win and a fine coaching staff, Mr. Bruce Christman and Mr. Morgan Butcher. The track team also boasted one of the best Pole-Vaulting squads in the state, which swept every meet in that event. Brothers, John and Bill Butler hold the York County medley relay in the pole-vault at twenty four feet, six inches. John Butler presently holds the Individual York County Record in the pole vault at twelve feet, six inches and a new school record at twelve feet, seven inches. He also captured fourth place at the Shippensburg Invitationals with a vault of twelve feet, six inches. Cathy Halstead excelled in girls' shotput and discus, sweeping those events at almost every meet. At the Fairfield Invitational, the team placed sixth out of twelve competing teams. All in all, the team had a good season, making K-D proud of them and their acheivements.

Upon re-entering the county league, the Rams began the football season with a winning game against Eastern. In the following games, a number of the varsity players were injured, weakening the potential of the team. The Rams failed to capture another victory during the season, but their spirit and determination to win never faded. The team was coached by Mr. Hersey, head coach; Mr. Bach, Mr. Howell, and Mr. Christman, assistant coaches.

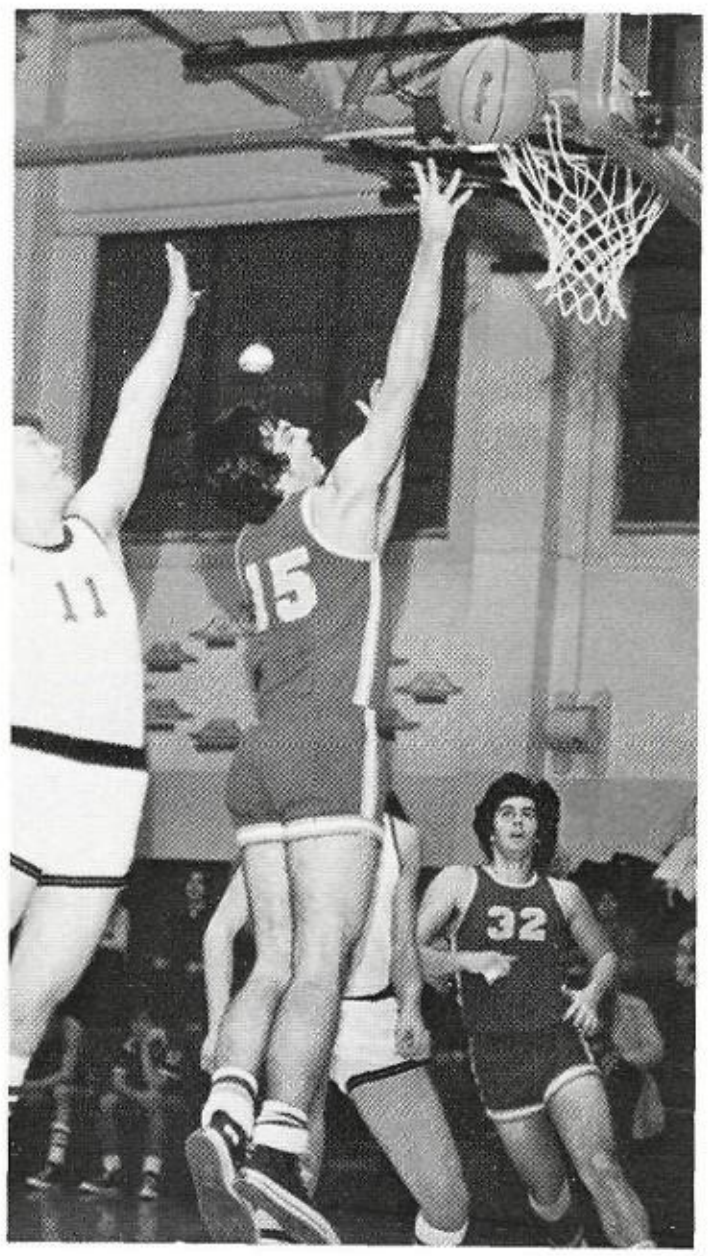
Varsity and Junior Varsity Basketball contained some very exciting moments in competition. In a majority of the games, the Varsity team battled continually in extremly close contests with other teams. The squads exhibited unequalled determination and competitive drive. K-D is very proud of both squads and hope they will continue to compete even better in future seasons.



Scott Stinson goes up for a lay-up in a double-overtime game with Susquehannock in which the Rams were victorious.

The quality of life comes in many forms.

Food, shelter and clothing. Education. Health care. Recreation.

These go into the quality of life. And we want to help our employees and their communities achieve the quality they want.

By providing jobs — and a chance to learn and grow on the job.

Through taxes for schools and services.

With our efforts to protect the environment.

By encouraging employee participation in government and community functions.

By manufacturing useful and dependable products.

And by managing our forest lands to provide recreational opportunity, and to serve as a habitat for wildlife.

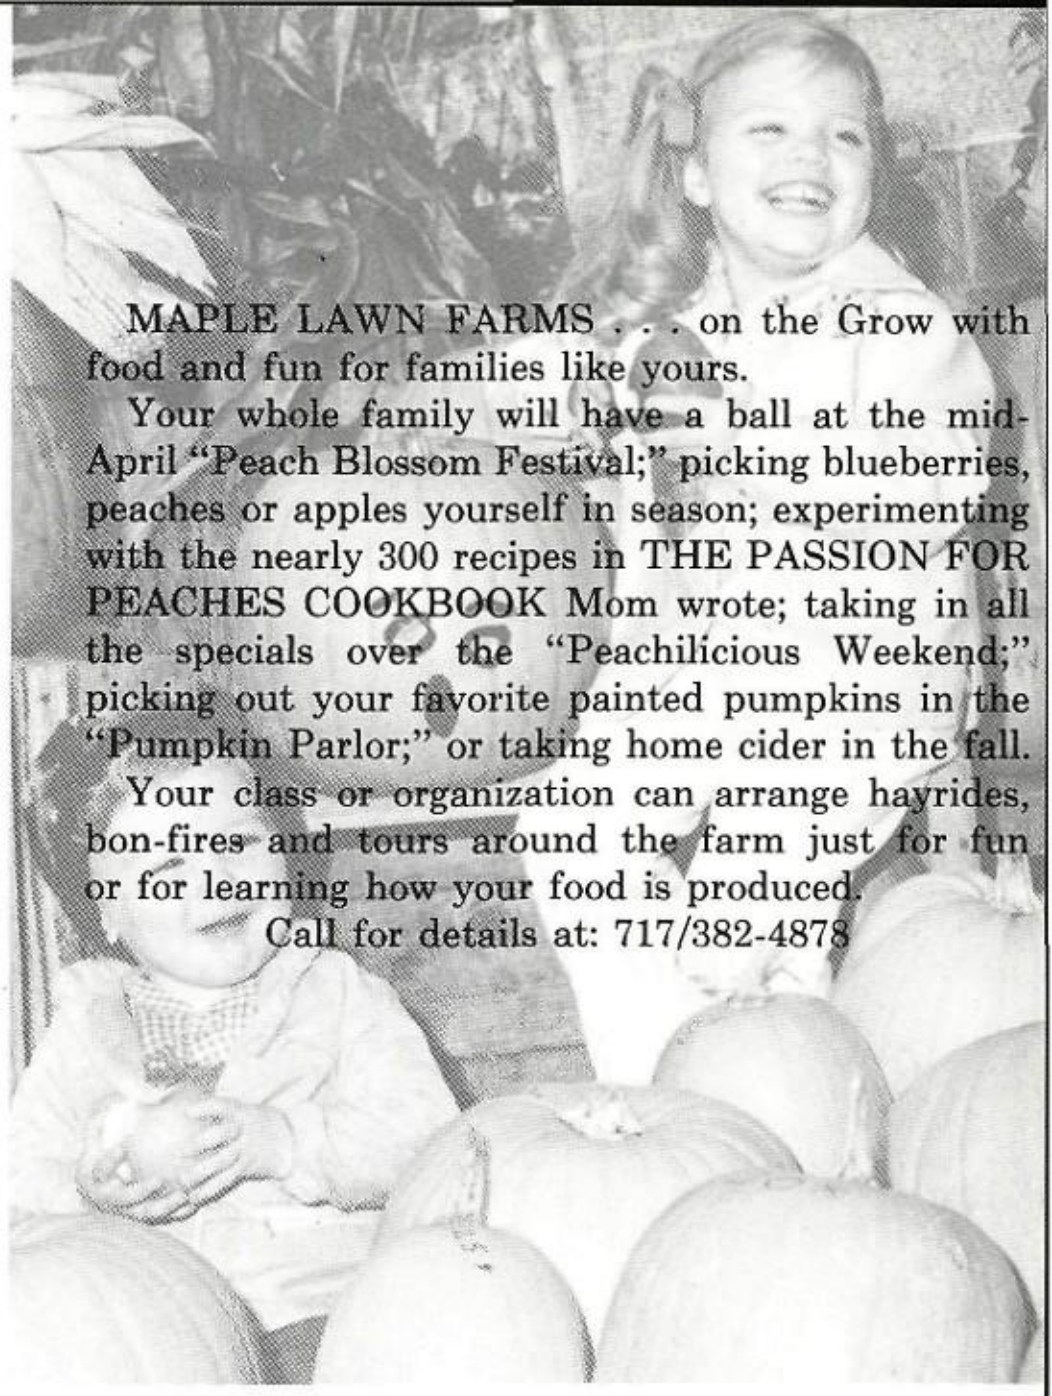
Let us preserve the fruits of your labor,
We are always ready to serve you.

AWN GROVE PENNSYLVANIA



MAPLE LAWN FARMS . . . on the Grow with food and fun for families like yours.

Your whole family will have a ball at the mid-April "Peach Blossom Festival;" picking blueberries, peaches or apples yourself in season; experimenting with the nearly 300 recipes in THE PASSION FOR PEACHES COOKBOOK Mom wrote; taking in all the specials over the "Peachilicious Weekend;" picking out your favorite painted pumpkins in the "Pumpkin Parlor;" or taking home cider in the fall.

Your class or organization can arrange hayrides, bon-fires and tours around the farm just for fun or for learning how your food is produced.

Happy New Year!... What year is it anyway?
Call the Orkin Man! "Help!" "Help!" Throw 'em in the closet!
"I love you Eydie." "Save it Tammie."
Show Me How To Melt Butter.
How did my shoe get wet?
I keep tasting pepper mint!
Get him away from me!
I need two popsicle sticks and some bandaids.

The 1977 Fawn Yearbook would like to thank everyone that has helped with this book in any way. This could not have been possible without much cooperation.

Special Thanks To:

Blatners for their photography and great patience and cooperation.

Mrs. Kane and Pam for delivering pictures to us.

Mr. Barefoot for his generous artistic assistance.

The faculty for letting us out of class and helping us obtain needed information.

To the office personnel for enduring our many interruptions and complaints.

Mrs. Kulpon and Mrs. McElwain for the use of the typewriters.
Anna Lynn Parlett and Hope Bradley for use of pictures.

Mr. Hunt for always reminding us of deadlines and for giving us his cooperation and patience.

The 1977 Fawn Staff would also like to wish Mr. Hunt the best of luck and happiness in the future as he leaves us at Kennard-Dale. His help and guidance during our senior year on the yearbook and his teaching us throughout our high school years will always be remembered and appreciated.
